

EXECUTIVE SOLUTIONS BREAKFAST SERIES

How many hours do you spend in non-revenue producing activities?

Are your profit levels where you want them to be?

Find yourself bogged down with people issues?

HR Concepts Management Consultants Inc. offers **Free** Executive Solutions Seminars to Executives and Business Owners who want to learn how to shift their focus from managing people issues to increasing profits

The seminars will change the way you think about your involvement in your business. **Topics around questions such as:** How do I attract, manage and measure the talent that will make us more profitable? How do I "let go" of responsibilities and retain our "star" employees? What kind of rewards will make our people want to stay with us?

if you want to make positive changes to your business in a planned and systematic way take the time to attend. This sessions will provide ample opportunity for discussion, brainstorming and Questions and Answers.
